1. Reportedly, eight kilometers south of Cernavoda there are ammunition dumps located on a mountain side. This area is surrounded with barbed wire and is guarded by Rumanian soldiers. During July 1950, there was an explosion at a warehouse on this site.
2. Gun emplacements have been prepared in the swamplands opposite Rasova and Cernavoda.
3. There are Rumanian troops in Medgidia. The houses in Medgidia are being numbered to billet troops.
4. Tatara, a former restaurant in Constanta, is now a prison for non-political persons. To the left of this prison there is a Rumanian naval camp where anti-aircraft and coast artillery guns are located.
